Becoming Green is Rewarding!

Green Businesses save money on energy, water and materials, and receive free environmental compliance and conservation assistance. They look good to their customers and are seen as industry leaders in sustainable business.

SAN DIEGO AREA
GREEN
BUSINESS PROGRAM

The Green Business Program is a unique effort to provide restaurant and automotive businesses technical assistance and training in environmental compliance, pollution prevention and conservation.

As a part of a joint workshop hosted by the City of La Mesa, the San Diego Area Green Business Program is pleased to provide this opportunity for restaurants to acquire the tools and assistance to improve compliance and become a "Greener Business."

The program is voluntary and offered to businesses free of charge. Only restaurants and automotive facilities are currently eligible to participate.
